Key Attributes

- Pre-measured portion PAK-IT®s each create up to five gallons of Vehicle Wash & Shine for exterior vehicle washing and detailing. No need to cut, tear or open -simply add a few inches of cold, warm or hot water into a bucket, drop in 1 PAK-IT® allowing two minutes to dissolve, then fill with water allowing the fill to mix and create foaming.
- Dual formulation contains both a wash and wax agent in one simple drop-in application to create a brilliant high shine finish.

Concentrated vehicle wash formula engineered to provide a great clean and a brilliant high shine finish with just one application. No need for additional wax products. Simply drop 1 PAK-IT® into a few inches of water in a bucket allowing two minutes to dissolve, then fill with water. Wash vehicle, rinse with a hose and dry vehicle with a clean cloth or chamois. Ideal for detailing vehicles for sale or showroom display or anywhere where a high quality finish is required. 1 PAK-IT® per 5 gallons.
