

# YOUR PURCHASING DECISIONS HAVE A REAL IMPACT

PAK-IT Green Seal Certified Portion-Controlled Cleaning Products

Green Seal develops Environmental Leadership Standards that are credible, transparent, and essential to helping manufacturers, purchasers, and consumers make responsible choices.

## AN INTRODUCTION TO GREEN SEAL

Green Seal®, a nonprofit organization founded in 1989, is the nation's premier ecolabel, symbolizing transparency, integrity, and environmental leadership. Its flagship program develops life-cycle-based environmental standards, and certifies products and services that meet them. Green Seal standards cover 450 categories – from janitorial supplies and paints to cleaning services and hotels – and are specified by countless agencies and institutions. Green Seal's science-based programs empower choices and improvements that transform the economy for a healthier, greener world.

Green Seal has certified over 4,000 products. To ensure a fair, transparent, and credible certification process, Green Seal follows EPA and ISO guidelines for third-party certifiers. The certification process includes analysis of all product formulas including fragrances and colorants, performance testing, packaging and labeling, and an on-site audit of manufacturing facilities. Periodic monitoring is required to maintain certification, and certified products are continually reviewed against updated standards.

## PAK-ITs CERTIFIED PRODUCTS MEAN FOR YOU....

- ✓ • Certified Performance - Green products that work, evaluated for effective performance
- ✓ • Certified Production - Audited for sustainable practices by the strict regulatory manufacturing requirements of ISO9000
- ✓ • Protects Human Health- Products are non-toxic to humans, not formulated with carcinogens, and have minimal VOCs
- ✓ • Protects Environmental Health- Products are biodegradable and non-toxic to the environment
- ✓ • Certified Packaging - Reduces waste: Packaging is recycled, recyclable, or significantly minimized
- ✓ • These products meet Green Seal™ Standard GS-37, GS-51, or GS-53, as applicable, based on effective performance, concentration of product, minimized/recycled packaging, and protective limits on VOCs and human & environmental toxicity. Non-aqueous liquids have alternate thresholds for acute toxicity, and added requirements for packaging and labeling. GreenSeal.org.

“Achieving third-party certification demonstrates our dedication to health and environmental leadership in the industry.”

- PAK-IT Owner and CEO, Richard Higgs

By offering these products with reduced environmental impact, we are protecting the planet and conserving natural resources for future generations.

# PAK-IT Glass & Hard Surface Cleaner

Independently certified under Green Seal Standard GS-37

"Pollution is everywhere. Contaminants coming from human activity are found in the most remote reaches of the planet." - GreenFacts.org

- Pre-measured portion PAK-ITs each make 32 ounces of streak-free glass cleaner. No need to cut, tear or open -simply drop one PAK-IT into its matching color-coded quart trigger spray bottle and add water!
- Use on glass, mirror and all other reflective hard surfaces including marble to remove fingerprints, dirt and smudges.
- Create a RTU glass cleaner in under two minutes at a fraction of the cost of traditional RTU glass cleaners.

For Quarts: Simply drop one pre-measured blue glass cleaner PAK-IT into its matching blue quart trigger spray bottle (sold separately) and add cold water. Wait two minutes and shake. Adjust nozzle to mist setting. For a streak-free shine, use one fine mist spray "less is more" and wipe off with a clean microfiber cloth or ideally a paper towel. Ammonia-free formula.

# PAK-IT Heavy Duty All Purpose Cleaner

Independently certified under Green Seal Standard GS-37

"Pollution is one of the biggest global killers, affecting over 100 million people. That's comparable to global diseases like malaria and HIV." - DoSomething.org

- Pre-measured portion PAK-ITs each create 32 ounces of commercial strength Heavy Duty All Purpose degreaser. No need to cut, tear or open -simply drop one PAK-IT into its matching color-coded quart trigger spray bottle and add water!
- Powerful heavy-duty formula cuts through grease and grime on all surfaces; ideal stainless steel cleaner for use on stoves, grills, sinks, ovens, fridges, freezers and commercial equipment.
- Create a RTU industrial strength degreaser in under two minutes at a fraction of the cost of traditional degreasers and all purpose cleaners.

Simply drop one pre-measured purple Heavy Duty All Purpose Cleaner PAK-IT into its matching purple quart trigger spray bottle (sold separately) and add cold water. Wait two minutes and shake. Adjust nozzle to mist setting and simply spray and wipe off with a clean microfiber cloth or ideally a paper towel. Non-aerosol, phosphate-free, ammonia-free formula still packs a serious punch making it both safe and effective on all surfaces.

# PAK-IT X-Treme Window Cleaner

Independently certified under Green Seal Standard GS-37

"It is thought that every person on Earth is now contaminated by Man-made toxic chemicals with our bodies containing up to 200 synthetic chemicals."

- GreenPeace.org

- Pre-measured portion PAK-ITs each create 5 gallons of X-Treme Window Cleaner. It is an effective formulation which dissolves grease, films, smears and fingerprints.
- Excellent for use on glass, windows (interior & exterior), showcases and other reflective hard surfaces.
- Deposits an invisible coating that resists re-soiling, smearing and fingerprints while effectively freshening the surrounding environment. Biodegradable and phosphate-free.

Just add one PAK to an empty pail or bucket. Add 2-3 inches of water and allow 3 minutes for PAK to completely dissolve. Once dissolved continue to fill with cold water, allowing the fill agitation to mix the formula. Rub gently on surface to be cleaned with a microfiber cloth, sponge or squeegee. Rinse microfiber cloth, sponge or squeegee during use to remove soil.

## Technical Data

# PAK-IT All Clear Laundry Detergent

Independently certified under Green Seal Standard GS-51

"Americans make up an estimated 5% of the world's population. However, the US uses 25% of the world's resources - burning up nearly 25% of the coal, 26% of the oil, and 27% of the world's natural gas." - DoSomething.org

- Pre-measured portion PAK-ITs each will wash one load of laundry. No need to cut, tear or open -simply drop one PAK-IT into washing machine!
- Excellent for use in front loading washing machines, top loading washing machines and also works well in HE machines.
- Eliminate messy measuring and guess work with a simple drop in PAK-IT!

A low foaming, fragrance free, detergent which effectively removes dirt and stains. Formulated to work in all water temperatures and soil load conditions. Contains unique blends of surfactants, stain removers, water softeners, brighteners and odor eliminators. Just add 1 PAK to the machine per load. Choose water temperature and fill machine using appropriate cycle.

# PAK-IT Heavy Duty Floor Cleaner

Independently certified under Green Seal Standard GS-37

"More than 60 million plastic bottles are thrown away every day In the USA... only 27% are recycled. Most end up as landfill that takes more than 1000 years to biodegradable." - GreenFacts.org

- Pre-measured portion PAK-ITs each make up to five gallons of Heavy Duty Floor Cleaner. No need to cut, tear or open -simply add a few inches of cold water into a bucket, drop in 1 PAK-IT allowing 1-2 min. to dissolve, then fill with water.
- Works excellent on any floor with the exception of unsealed floors. This product works well on heavily soiled and greasy floors.

A concentrated floor cleaner formulated to be used as part of a daily maintenance program. Thoroughly cleans dirt and traffic soils including black heel marks. Its unique formulation is mild enough for daily cleaning, yet effective for deep scrubbing at stronger dilutions. Phosphate-free. Pleasant ocean fragrance.

# PAK-IT Basin Tub & Tile Cleaner

Independently certified under Green Seal Standard GS-37

"The garbage dumped in the ocean every year is roughly around 14 billion pounds. Plastic is the major constituent." - GreenPeace.org

- Pre-measured portion PAK-ITs each create 32 ounces of Basin Tub and Tile Bathroom Cleaner. No need to cut, tear or open -simply drop one PAK-IT into its matching color-coded quart trigger spray bottle and add water!
- Powerful and effective acid bathroom cleaner, engineered to tackle lime scale, mold, mildew, soap scum, hard water stains and more!
- Create ready-to-use bathroom cleaner in under 2 minutes at a fraction of the cost of traditional RTU cleaners.

For Quarts: Simply drop one pre-measured pink Basin Tub and Tile Cleaner PAK-IT into its matching pink quart trigger spray bottle (sold separately) and add cold water. Wait two minutes and shake. Adjust nozzle to mist setting and simply spray and wipe off with a clean microfiber cloth or ideally a paper towel. This is commercial strength acid bathroom cleaner that is safe and effective on all non-porous surfaces such as ceramic, tile, porcelain, sealed stone and marble.

# PAK-IT Boat & Deck Wash

Independently certified under Green Seal Standard GS-53

"United States produces 30% of the world's waste and uses 25 % of the worlds natural resources"

- GreenPeace.org

- PAK-IT Boat Wash is a concentrated formula that cleans dirt, stains and salt off any surface. This product is safe for use on fiberglass, metal, rubber/vinyl, and painted surfaces. One pak will make 3-5 gallons of boat wash. This product is phosphate free and low foaming which allows for a quick, easier wash.
- Boat & Deck Wash cleans away dirt, stains, grease, oil and salt and is safe for use on fiberglass, glass, metal, rubber/vinyl, and painted surfaces.

Just add one PAK to an empty pail or bucket. Add 2-3 inches of water and allow 3 minutes for PAK to completely dissolve. Once dissolved continue to fill with cold water, allowing the fill agitation to mix the formula. Wash in your accustomed manner using a lint-free cloth, sponge or chamois. Apply product and agitate to remove soil. Rinse with clean water. Boat & Deck wash will not remove wax or polish

## Technical Data

# PAK-IT Vehicle Wash & Sheet

Independently certified under Green Seal Standard GS-53

"Pollution kills more than 1 million seabirds  
and 100 million mammals every year."

- GreenPeace.org

- Pre-measured portion PAK-ITs each create up to five gallons of Vehicle Wash & Sheet for exterior vehicle washing, requiring no drying!
- Formulation designed to reduce time spent drying vehicle by water sheeting off vehicle when hosed rather than beading and creating dust spots.
- Concentrated vehicle wash formula engineered to provide a great clean while dramatically reducing time drying and buffing the vehicle. Simply wash vehicle and rinse with a hose. The water will sheet off rather than bead thereby eliminating dry dust spots. Ideal for both auto and manual car wash. When you need a good clean in a hurry such as rental car agencies, fleet management, transit authorities, county and municipal vehicles and dealerships, then Wash & Sheet is a must!

No need to cut, tear or open - simply drop one PAK-IT into an empty pail or bucket. Add 2-3 inches of water and allow 3 minutes for PAK to completely dissolve. Once dissolved continue to fill with cold water, allowing the fill agitation to mix the formula.

## Technical Data

# PAK-IT Neutral Floor Cleaner

Independently certified under Green Seal Standard GS-37

"Companies which manufacture, import or sell chemical products and articles are responsible for ensuring that these do not harm human health or the environment."

- European Chemicals Agency (ECHA)

- Pre-measured portion PAK-ITs each create up to 2.5 gallons of Neutral Floor Cleaner. No need to cut, tear or open -simply add a few inches of cold water into a bucket, drop in 1 PAK-IT allowing 1-2 minutes to dissolve, then fill with water allowing fill agitation to mix the formula.
- Mild and neutral pH formulation designed to be part of a daily maintenance program on all hard floor surfaces such as high gloss wooden floors, tile, linoleum, stone and marble.

Will not dull, haze or mar any floor finish and leaves a shine without rinsing or buffing. When in doubt about what floor cleaner to use as part of your daily floor maintenance program, this should be your go-to product!
