

Basin, Tub & Tile Bathroom Cleaner

Find more information www.pakit.com • 1-866-MY PAKIT

Key Attributes

- Pre-measured portion PAK-IT®s each create 32 ounces of Basin Tub and Tile Bathroom Cleaner. No need to cut, tear or open - simply drop one PAK-IT® into its matching color-coded quart trigger spray bottle and add water!
- Powerful and effective acid bathroom cleaner, engineered to tackle lime scale, mold, mildew, soap scum, hard water stains and more!
- Create ready-to-use bathroom cleaner in under 2 minutes at a fraction of the cost of traditional RTU cleaners.

DIRECTIONS: Simply drop one pre-measured pink Basin Tub and Tile Cleaner PAK-IT® into its matching pink quart trigger spray bottle (sold separately) and add water from a cold tap. Wait two minutes and shake. Adjust nozzle to mist setting and simply spray and wipe off with a clean microfiber cloth or ideally a paper towel. This is commercial strength acid bathroom cleaner that is safe and effective on all non-porous surfaces such as ceramic, tile, porcelain, sealed stone and marble.

Consequences of improper use or improper dilution: Improper use or improper dilution can result in damage to surfaces and increased risk of health effects.

MODO DE EMPLEO: Simplemente coloque un limpiador para lavamanos, bañeras y azulejos PAK-IT® rosa, que ya viene medido, en su correspondiente botella rosa de un cuarto con atomizador (vendido por separado) y agregue agua fría de grifo. Espere dos minutos y agite. Ajuste la boquilla a la posición de rocío y simplemente rocíe y limpie con un paño limpio de microfibra o, idealmente, con una toalla de papel. Es un limpiador para uso comercial de baño ácido que es seguro y eficaz en todas las superficies no porosas, tales como cerámica, azulejo, porcelana, piedra sellada y mármol.

Las consecuencias de un uso indebido o de una dilución inadecuada: El uso incorrecto o la dilución inadecuada pueden causar daños a las superficies y aumentar el riesgo de los efectos sobre la salud.

Contains: Nonionic Surfactant, Dextronic Acid, Water, Solvent, Fragrance and Dye.

Contiene: Surfactantes no iónicos, ácido dextrónico, agua, solventes, fragancia y colorante.

For first aid measures, warnings, hazard/precautionary and storage/disposal statements, please see container label.
