**Just
Add
Water!**

Makes 250 Gallons!

Vehicle Wash & Sheet

SPOT-FREE VEHICLE WASH

**Limpiador de Vehículos sin
Marcas de Agua**

50

100% WATER-SOLUBLE PODS

50 CÁPSULAS 100% HIDROSOLUBLES

22.5g per pod - Total 39.68 oz.

DROP

Add pod to
a few inches
of tap water.

FILL

Wait
2 minutes*.
Add tap
water.

MIX

Use
water flow
to mix
solution.

**Ready
to
Use**

**MADE IN
USA**

This product meets Green Seal™ Standard GS-53 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on: VOCs and human & environmental toxicity. Non-aqueous liquids have alternate thresholds for acute toxicity, and added requirements for packaging and labeling. GreenSeal.org.

PAK-IT® Vehicle Wash & Sheet is specially formulated to make commercial fleets look their absolute best in both manual applications and automatic car wash systems. Our low-foam formula sheets off vehicle exteriors, removing soot, oils, and debris as it falls. Vehicle Wash & Sheet's unique cleaning method reduces drying time and leaves a lustrous, spot-free shine.

**DO NOT OPEN OR TEAR PODS.
NO ABRA O ROMPA LAS CÁPSULAS.**

DIRECTIONS: HAND WASHING: Add one pod and 2 gallons of tap water to a 5-gallon pail. Allow the pod to dissolve completely, before adding 3 more gallons of water with a hose. Scrub the vehicle as needed with a brush. Rinse with clean water and then air dry. **VEHICLE WASHING SYSTEM:** Add one pod for every 5 gallons of tap water added to a 55-gallon drum. Insert the chemical dip from the equipment into the drum. Ensure the product is being pulled into the system. Use equipment directions to moderate the amount of the solution. **VEHICLE PRESSURE WASHING SYSTEMS:** Add two pods and 3-5 gallons of tap water to a 5-gallon pail. After the pods have completely dissolved, mix gently to avoid foaming. Use the equipment's directions to saturate the vehicle. Scrub vehicle as needed with a brush. Rinse with clean water under high pressure.

*Solubility times may vary due to water temperature and/or mineral content. Tap water recommended.

**READ AND UNDERSTAND LABEL AND SDS BEFORE USE.
DO NOT EAT. KEEP FROM FREEZING.
KEEP OUT OF REACH OF CHILDREN AND PETS.
FOR COMMERCIAL AND INDUSTRIAL USE ONLY.**

When handled and diluted as directed, resulting product is not classified hazardous and does not require personal protective equipment. Label warnings apply only to concentrated liquid. Intact pods protect against dermal and inhalation exposure.

DANGER!

Causes serious eye damage. Causes mild skin irritation. Harmful if inhaled. Wear protective gloves, clothing, eye protection, and face protection. Use only outdoors or in a well-ventilated area.

First-Aid Measures:

IF ON SKIN: If skin irritation is severe or continues, get medical attention. Remove contaminated clothing and wash affected skin areas with mild soap and water. Wash contaminated clothing before re-wearing. Discard contaminated shoes.

IF IN EYES: Immediately flush eyes with clean water for at least 15 minutes. Remove contact lenses, if present and easy to do so. If irritation is severe or continues after rinsing, get medical attention.

IF INHALED: If affected by breathing vapor, remove individual to fresh air and keep comfortable for breathing. If breathing is difficult, get medical attention.

IF SWALLOWED: If swallowed contact physician or poison control center. Never give anything by mouth if victim is unconscious. Induce vomiting only on advice of physician.

Handling: To avoid damage to pod casing, do not handle with wet hands and keep away from water prior to use.

Storage: Store in original container in a cool, dry place. Avoid direct sunlight and extremes of temperature and humidity. Keep outer container tightly closed until ready to use. Close again after use. Do not store in unlabeled containers.

Please recycle this package. Dispose of unused product(s) according to all federal, state/province, and local applicable regulations.

Eco-Awareness: Avoid runoff to open waterways or shorelines by choosing a site where potential runoff of diluted detergent can be properly diverted.

Contains: Proprietary Surfactant, Hexylene Glycol, Isopropyl Alcohol, Sodium Lauriminodipropionate, PVA Bitter Film, Dye
