Add pod
to this
32 oz. bottle.

FILL

Add 32 oz.
of tap water.

SHAKE

Wait
2 minutes*
then shake.

**Ready
to
Use**

PAK-IT® WASH-IT Waterless Vehicle Wash is ideal for quick and easy cleanup of all vehicle types. It is formulated for spot cleaning and use in areas with water restriction/conservation requirements. Like all PAK-IT® products, WASH-IT ships without water. Just add to water in a 32oz spray bottle to keep your vehicles sparkling clean and glossy.

PAK-IT® WASH-IT Lavado de Vehículos sin Agua es ideal para una limpieza rápida y sencilla de todo tipo de vehículos. Está formulado para limpieza de manchas y uso en áreas con restricciones de agua y requisitos de conservación. Como todos los productos PAK-IT®, se envía sin agua. Simplemente agréguelo al agua en una botella con atomizador de 32 oz. para mantener sus vehículos relucientes y limpios.

DIRECTIONS: Add one pod into a one-quart (32 oz.) trigger spray bottle. Add tap water up to the base of the bottle's neck. Wait two minutes* and then shake vigorously. For best results, use the mist setting. Spray once on the surface and wipe the area with a microfiber or paper towel. Tougher jobs might require more than one application.

INSTRUCCIONES: Agregue una cápsula a una botella con atomizador de gatillo de un cuarto de galón (32 oz.). Agregue agua del grifo a la base del cuello de la botella. Espere dos minutos* y luego agite vigorosamente hasta que la cápsula se diluya. Ajuste el atomizador a su gusto. Rocíe una pequeña cantidad del limpiador en la superficie y límpiela.

*Solubility times may vary due to water temperature and/or mineral content. Tap water recommended.

**READ AND UNDERSTAND LABEL AND SDS BEFORE USE.
KEEP OUT OF REACH OF CHILDREN AND PETS.**

First-Aid Measures

IF ON SKIN: Rinse with plenty of water. Get medical attention if irritation develops and persists.

IF IN EYES: Rinse thoroughly with plenty of water for at least 15 minutes. Remove contact lenses, if present and easy to do so. Continue rinsing. Get medical attention if symptoms occur.

IF INHALED: If affected by breathing vapor, remove individual to fresh air. If breathing is difficult, get medical attention.

IF SWALLOWED: Never give anything by mouth to an unconscious person. Rinse mouth with water. Induce vomiting only on the advice of a physician.

FOR COMMERCIAL & INDUSTRIAL USE ONLY: When handled and diluted as directed, resulting product is not considered hazardous and does not require personal protective equipment. To avoid damage to pod casing, do not handle with wet hands and keep away from water prior to use. Keep pods in a tightly closed container stored in a well-ventilated, cool, dry place. Avoid direct sunlight and extremes of temperatures and humidity. Do not store in unlabeled containers.

Bottle can be reused until damaged. Please recycle this bottle.

This product does not meet the criteria for classification in any hazard class according to regulation OSHA 29 CFR 1910.1200.

Contains: Proprietary Surfactant, Tetrahydro-2-furyl Methanol, Hexylene Glycol, Fragrance, PVA Bitter Film, Dye
