PAK-IT® Carpet Pre-Spotter eliminates food, coffee, wine, pet, grease, and other water- and oil-based stains from both natural and synthetic carpets. Its wide range of stain-removing power doesn't bleach or discolor carpets or rugs. Use two pods per 32 oz. of water for supercharged stain-fighting power.

PAK-IT® Quitamanchas para Alfombras elimina las manchas de alimentos, café, vino, mascotas, grasa y otras manchas a base de agua y aceite de las alfombras naturales y sintéticas. Su amplia gama de poder quitamanchas no blanquea ni decolora alfombras o tapetes. Para trabajos más fuertes, use dos cápsulas por cuarto de galón (32oz).

DIRECTIONS: Add two pods to a standard one-quart (32 oz.) trigger spray bottle. Add tap water to the base of the bottle's neck. Wait two minutes* and shake vigorously. Spray liberally onto stain. Allow product to remain for one minute. Rub gently with hand brush. Blot with paper towel or clean white cloth. Repeat if necessary until stain is removed. Rinse with clean water and blot dry.

INSTRUCCIONES: Agregue dos cápsulas a un cuarto de una botella con atomizador de gatillo de un cuarto de galón (32oz). Agregue agua del grifo a la base del cuello de la botella. Espere dos minutos* y agite vigorosamente. Rocíe generosamente sobre la mancha. Deje que el producto permanezca durante un minuto. Frote suavemente con un cepillo de mano. Seque con una toalla de papel o un paño blanco limpio. Repita si es necesario. Enjuague con agua limpia y seque.

*Solubility times may vary due to water temperature and/or mineral content. Tap water recommended.

READ AND UNDERSTAND LABEL AND SDS BEFORE USE.
